

441—87.7 (82GA,ch1187) Allocation of funds.

87.7(1) Family planning agencies that wish to participate in this program shall send a letter of application to the department's bureau of health supports:

- a.* By January 15, 2009, for state fiscal year 2009; and
- b.* By June 1 of the preceding state fiscal year for subsequent fiscal years.

87.7(2) Family planning agencies participating in the state-funded family planning program shall receive no more than a proportionate share of the available funding during any state fiscal year, based on the number of applications filed at the agencies and approved pursuant to 441—subrule 75.1(41) during the preceding state fiscal year.

87.7(3) If a participating agency's allocation is not spent by June 1, the department shall reallocate unspent funds in proportion to the dollar amount of claims submitted under this program by that date in the state fiscal year.
